We are doing a video conference for the RICT meeting in A-215, on Tuesday, 1/17, 10-11:30. I don't have an agenda yet, but we may be discussing Dimock. I sent Jada Cindy's latest update to distribute. If it fits your schedule, you are welcome to attend.

I will not have a Homeland Security Lab Update. Will we be discussing Dimock? Do you think folks will want to know about that? I have attached a summary of lab support efforts. Please distribute if you think it is appropriate. Of course things change rapidly so it may be out dated by Tuesday.

Do you want to do a video conference? Or teleconference? Let me know. thanks.

Hello,

I'm preparing the agenda for the upcoming RICT meeting next week and need to know if your going to provide an update. Please let me know ASAP, and if your going to have handouts. I will need to have handouts by COB Friday, at the latest Tuesday morning. I apologize for the short notice and any inconvenience this may cause. Thanks
